

Governors

Our Governors perform vital, legal functions and also do a lot more to help and support our school. The governing body is made up of parents, staff and representatives of the church, diocese and Local Authority. They make decisions about how the school is run in consultation with the headteacher; they have legal duties, powers and responsibilities which include appointing staff and deciding how the school budget is spent. Governors meet as a Full Governing Body once a term and the minutes of these meetings are available to view in the school office. Parent governors can contribute the views and ideas of other parents to the governing body but they are not there to act as a channel for complaints or to address any issue affecting an individual child or parent. Governors are elected or appointed for four years and serve on one or more committees to carry out their various duties.

The following people are our school governors:
