

## Sports Premium Funding 2020 – 2021

### What is the Sports Premium?

The government is providing substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. Each school will receive £16,000 plus an extra £10 per pupil each year. The money can only be spent on sport, PE provision and related resources in schools.

### Stapleford PE and Sport Vision:

At Stapleford Primary School we ensure high quality provision of Physical Education is delivered to all pupils. We are passionate about children learning to live a healthy and active life, and seek to promote this at Stapleford School. Through quality whole class teaching of PE, our achievement of the Healthy Schools Award, a large variety of sporting clubs at lunchtimes and after school and participation in inter-school competitions, we strive to inspire our children towards healthy lifestyles.

Due to the COVID-19 pandemic and the resulting school closure all many afterschool clubs and sporting fixtures between schools have been cancelled. It is anticipated that many pupils will not have been as active as they were previously during their time away from school. This will possibly have had a negative impact on their mental health as well as their physical wellbeing. As the school reopens to all pupils it will use the Sports Premium funding to introduce extra sporting activities into the recovery curriculum that it puts in place in an attempt to address this.

Stapleford Primary School's priority is to increase participation in high quality and exciting sporting opportunities for all children in our school. We do this by:

- Planning and providing a wide range of extra-curricular sporting clubs and activities
- Providing extensive and high quality resources,
- Celebrating the success of our sporting achievements with the school community,
- Participating in inter-school sports activities/games/matches,
- Fostering strong links with local sports clubs and specialist teachers,
- Supporting and engaging the least active through lunchtime clubs and identifying older children to run active clubs for other children,
- Engaging with the local Sports Partnership to ensure that training opportunities for staff at Stapleford are offered and used.

### On-going Aims:

- |   |   |
|---|---|
| <ul style="list-style-type: none"><li>• All children benefit regardless of sporting ability.</li><li>• All children, at some point, are able to represent the school in a competitive sporting fixture regardless of sporting ability.</li><li>• That all children are given the opportunity to be introduced to a variety of sporting activities and adventurous activities.</li><li>• That the children are given the opportunity to compete in inter-school tournaments, competitions and festivals.</li><li>• To improve resourcing of equipment.</li><li>• To aim to represent the school at County Level.</li></ul> | <ul style="list-style-type: none"><li>• To improve resourcing of planning and assessment tools.</li><li>• To extend extra-curricular sporting opportunities to all year groups and to increase uptake in these.</li><li>• To continue to work towards &amp; achieve Sainsbury's Silver/Gold Mark.</li><li>• That staff have access to training opportunities and continued professional development in order to improve confidence in the delivery of high-quality PE lessons and sports provision across the school.</li></ul> |

## **How will the impact be measured?**

- Teachers demonstrate confidence in planning and delivery of PE lessons.
- The use of iPads in PE lessons to monitor children's progress, improvement and peer assessment.
- Observations of children and staff during PE lessons.
- Equipment will be used even more effectively to maximise learning in both lessons and clubs.
- Increased after school clubs and participation in PE and sport.
- Continued links with specialist organisations and coaches.

## **IMPACT: Autumn Update 2020**

### **PE Lessons**

This term we have been very fortunate to have had Mr Clemo assist the teachers in their delivery of PE. He has been supporting all classes, ranging from Nursery through to Year 6. After the COVID-19 school closure the fitness and wellbeing of pupils and staff was highlighted as an area to support. Mr Clemo has been providing extra PE lessons with a focus on fitness and has set up a daily mile in each class.

### **Afterschool Clubs:**

#### **Football**

Children have shown a great passion for continuing the football club. Mr Clemo has continued to run our football club and coach the football team. At present matches cannot take place due to COVID-19 but we are hopeful that they will resume before the end of the academic year.

#### **Netball**

Netball club will run after half term. At present matches cannot take place due to COVID-19 but we are hopeful that they will resume before the end of the academic year.

#### **Multi-Skills**

Multi-skills club has continued this term and remains very popular. Children are excited about the games and skills they learn. Their skills have improved.

#### **Tag Rugby**

Tag rugby club has started and it looks like lots of fun. At present matches cannot take place due to COVID-19 but we are hopeful that they will resume before the end of the academic year.

### **Lunch time activities:**

Joe Clemo has been employed as a play leader/sports coach at lunchtimes. He provides a variety of games and activities for all age groups in order to keep children busy and active. It has been a huge hit with the children.

### **Future Aims**

- To be able to achieve a Sainsbury's silver/gold mark
- To make more links with external agencies to provide children with the opportunity to play unique sports
- To set up a forest school where children are exposed to physical and adventurous activities in a forest environment.
