

Class 1 Home learning LOCKDOWN PLAN – W/c 11th January 2021

Good morning everyone! ☺ Thank you for continuing to support your children's learning at home. I understand that it is difficult to work whilst constantly being pestered. All we can do is try our best as parents to support them. Please do not feel guilty when things don't go to plan. There will be good days and bad so any time you can give to your children whilst they are completing the set tasks is hugely appreciated.

This plan mirrors what is being taught in class and is updated weekly. Remember to have fun, do lots of exercise and make time to relax and laugh. Please remember that reading should be done daily. Feel free to complete the daily tasks in any order you wish and let the children tick off the activities as they complete them. Remember to photograph any completed work and email it to classone@stapleford.herts.sch.uk
