## Sport Premium Funding 2021/22

### What is the Sports Premium?

The government is providing substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. Each school will receive £16,000 plus an extra £10 per pupil each year. The money can only be spent on sport, PE provision and related resources in schools.

### Stapleford PE and Sport Vision:

At Stapleford Primary School we ensure high quality provision of Physical Education is delivered to all pupils. We are passionate about children learning to live a healthy and active life, and seek to promote this at Stapleford School. Through quality whole class teaching of PE, our achievement of the Healthy Schools Award, a large variety of sporting clubs at lunchtimes and after school and participation in inter-school competitions, we strive to inspire our children towards healthy lifestyles. Following the Covid 19 Pandemic as the school reopens to all pupils it will use the Sports Premium funding to introduce extra sporting activities into the recovery curriculum that it puts in place. Stapleford Primary School's priority is to increase participation in high quality and exciting sporting opportunities for all children in our school.

### We do this by:

- Planning and providing a wide range of extra-curricular sporting clubs and activities
- Providing extensive and high quality resources,
- Celebrating the success of our sporting achievements with the school community,
- Participating in inter-school sports activities/games/matches,
- Fostering strong links with local sports clubs and specialist teachers,
- Supporting and engaging the least active through lunchtime clubs and identifying older children to run active clubs for other children,
- Engaging with the local Sports Partnership to ensure that training opportunities for staff at Stapleford are offered and used.
