### **Covid-19:**

- This link explains when to self-isolate <https://www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/when-to-self-isolate-and-what-to-do/>

### **The latest information from Hertfordshire County Council is:**

For all pupils who live with someone who has tested positive for COVID-19, reception age or above, it is recommended they should take an LFD test every day for 7 days and continue to attend school. Anyone who develops COVID-19 symptoms should isolate immediately and book a PCR test. If pupils or staff are feeling unwell with other symptoms, they should stay off school until well enough to return.

**Attendance:** At Stapleford Primary we set ourselves the target of achieving 96% attendance. Whilst this is a challenging target, we feel that it is essential to maximise the children's learning time, especially after the COVID-19 related disruption we have faced over the past 2 years. To put your child's attendance percentage into perspective please consider whether you would think of 80% attendance as high or low? If you attained 80% in an exam you may well be pleased with the result. However, if a child had attendance of 80% year on year that would equate to them missing one whole year of school by the time they completed Year 5!!! That is obviously going to have a major impact on their education.

Please note that the current attendance guidance related to COVID-19 is that all children and young people aged between 5 and 18 years and 6 months (pupils) identified as a contact of someone with COVID-19 are strongly advised to take a LFD test every day for 7 days **and continue to attend their setting as normal, unless they have a positive test result.**

**Although close contacts are strongly advised to get a test, they should continue to attend school unless they are symptomatic.** Schools should follow up with families if they are not satisfied with the reason as to why the pupil is not in school. Schools can request supporting evidence from the family. Where the school is not satisfied with the reason given for absence, they may record this using one of the unauthorised absence codes, in line with the school attendance: guidance for schools:

**Holidays during term time:** Unfortunately, the school is unable to authorise any holidays that are requested during term times. These absences will be recorded in the register as unauthorised absence.

**Stapleford Primary School Lottery:** We have recently spent over £1500 of the money generated by the sale of our school lottery tickets on new books for our reading scheme. These are linked to the synthetics phonics scheme of work that we have adopted. Thank you for continuing to buy tickets. Spread the word - anyone can play - Tickets cost £1 and 40p from every ticket sale comes directly to the school.
