

CLASS 3 Weekly timetable – Summer term week W/c 18 /05 /2020

Good morning everyone! ☺ Thank you for continuing to support your children's learning at home. I understand that it is difficult to work whilst constantly being pestered. All we can do is try our best as parents to support them. Please do not feel guilty when things don't go to plan. There will be good days and bad so any time you can give to your children whilst they are completing the set tasks is hugely appreciated. This week we have given you a bit more help to get organised. Remember to have fun, do lots of exercise and make time to relax and laugh. Please remember that reading should be done daily. Feel free to complete the daily tasks in any order you wish and let the children tick off the activities as they complete them. **DO WHAT YOU CAN BUT DON'T FEEL GUILTY IF YOU DON'T COMPLETE EVERY TASK.**

	Monday	Tuesday	Wednesday	Thursday	Friday
Literacy Tasks for the day	Baby Animals During spring you often see a lot of baby animals around, particularly if you visit a farm. Animals have their young in spring because there is lots of food available and the longer days mean that they have longer to find food for their young. What fun facts can you find out about animals?	Baby animals Make a list of all the animals that you can think of. Research, find out and write down the names used for their young. Turn this into a poster and illustrate it with lots of pictures.	Collective nouns We call different groups of animals by different names. For example, we call a group of sheep a flock. List as many animals as you can think of and then find out collective noun for a group. How many can you find? You could create a quiz for your family too see how many they know.	Young Vets Club https://www.youngvetsclub.com/looking-after-your-pet Visit the website above and read some of the tips for how to care for a pet!	Young Vets Club https://www.youngvetsclub.com/meet-jess-french Visit the website above and Meet Jess French and then can you tell me what your favourite animal is and why? Or https://www.youngvetsclub.com/weird-and-wonderful-facts Visit the website above and have a read about How to become a Vet and make a note of
